Part-time Teacher- Naturalist – Spring & Summer 2014

Stony Brook-Millstone Watershed Association is seeking candidates for one part-time Teacher-Naturalist PAID position within the Education Department. SBMWA is central New Jersey's first environmental group, protecting clean water and promoting healthy habitat in the 265 square mile area drained by the Stony Brook and Millstone River. We maintain a 930-acre nature reserve in Hopewell, NJ which includes forest, fields, stream, pond and an organic farm.

Responsibilities:

Teach preplanned environmental education lessons to preschool, public and visiting groups (some offsite), including Saturdays in the summer (includes set up, delivery, clean up, evaluation)
Assist with butterfly garden maintenance, including caterpillar nursery and preparation/participation in Butterfly Festival 2014 (August 9, 2014)
Other duties as required for continuity of Education Department daily operations
Available 20 hours/week, March through August 29, 2014
Reports to the Education Director

Qualifications:

College degree or coursework preferred; high school degree minimum
Degree or coursework in environmental education, natural sciences, education or related fields highly desired
Experience working with children and adults required
Enthusiasm for working in the outdoors; comfortable working outdoors in all weather conditions
Available weekdays and Saturdays, as determined
Self-motivated and able to work with minimum supervision
Minimum age of 21 years old
Current first aid certification

Electronic submissions and inquiries preferred. Qualified applicants are encouraged to apply and should submit resume and cover letter immediately to:
