

2022 Financial Aid Application

The Watershed Institute is pleased to offer a limited number of full scholarships for our 2022 Summer Science Academy for High School Students. Scholarships are awarded based on financial need, teacher or mentor recommendation, and expressed desire of the student to be part of an academic summer program. The Watershed Institute does not discriminate against applicants based on race, color, national origin, age disability, sex, gender identity, or religion.

Complete one application form for each child applying to Academy. Applications are due by Monday, May 16, 2022 or on a first-come, first-served basis until all scholarship funds are dispersed. Students who receive scholarships will be notified on a rolling basis.

Priority is given to students requesting to come for all five weeks of Academy.

Scholarships include free tuition, transportation from Trenton, a daily stipend, and a daily box lunch. Upon acceptance, students will sign a scholarship agreement.

Return application form and a letter of recommendation from a teacher or mentor to Academy@thewatershed.org or by mail to Anna Hill, 31 Titus Mill Rd, Pennington, NJ 08534.
