

Watershed Nature Camp

2023

ONLINE REGISTRATION OPENS:

Feb. 6, 2023 **for Members** • Feb. 21, 2023 **for Everyone**

WELCOME TO WATERSHED NATURE CAMP!

Your child will experience nature every day and return home brimming with stories. On a typical summer day, our campers venture into the woods to explore under logs, out into the meadow to catch butterflies, or down to the stream to explore watery worlds. Led by our amazing staff, our campers enjoy fresh air, make new friends, and receive a healthy dose of adventure.

THE WATERSHED INSTITUTE AND RESERVE

Campers will spend the majority of their time exploring our 950-acre Watershed Reserve of fields, forests, trails, ponds, and streams. They will also have access to the exhibits and animal ambassadors inside the nature center. The Watershed Institute is a non-profit dedicated to keeping Central New Jersey's water clean, safe, and healthy. Visit thewatershed.org to learn more.

VALUES

While our offerings vary in each camp week, our underlying values are threaded through each day. At The Watershed Institute, we believe that every child deserves a chance to experience a summer exploring the outdoors with their peers. In everything we do, we uphold and instill these values: We respect the land, the water, the plants, the animals, the people, and ourselves.

ACCESSIBILITY

While we value accessibility and inclusion, we are a very active camp. Even the youngest campers hike a minimum of 2 miles a day. Our oldest campers hike up to 8 miles a day on moderate to rugged terrain. We are outdoors, all day, every day. If you want to discuss if our camp is the right choice for your camper, please reach out for more information. We are happy to work with you to provide the best experience possible.

COVID-19

Our policies and procedures for keeping campers and staff as healthy as possible will be continually monitored, evaluated, and communicated as current events shift. These will be based on the best practices provided by local health officials, the CDC, and the American Camp Association.
