

CHIEF ENGINEER

Willingboro Municipal Utilities Authority (WMUA), located in Willingboro, NJ, offers a unique experience to our 50 employees – we provide the resources and opportunities for career development and advancement, as well as the attention, camaraderie and care for one another. We offer competitive benefits, including Health and dental and paid vacation.

Our focus on producing and distributing the highest quality drinking water, clean and safe, as well as collecting and treating wastewater, and returning it safely to the environment, makes this a particularly exciting time to join the WMUA.

We are committed to diversity, equity and inclusion; as well as supporting the communities we serve. It's an exciting time to be part of the WMUA.

Willingboro Municipal Utilities Authority is seeking an NJPE experienced in water/wastewater operations and infrastructure for the position of Chief Engineer.

The Authority operates 4 potable water treatment plants, 6 wells, a 5.22 MGD wastewater treatment plant, 4 pumping stations, 120+ miles of water distribution mains and sanitary sewers to serve 13,000 accounts along with bulk water sales to and sewage treatment for adjacent communities. This position reports directly to the Executive Director. Primarily responsibilities are as follows:

- Coordinate engineering activities for asset maintenance and project construction.
- Provide engineering analysis, evaluation and reporting on project plans and costs.
- Development and Implementation of a program for construction, inspection, repairs, and replacement of several parts and equipment.
- Manages contractors and outside engineering firms on construction projects.
- Experience with NJEIT/H2Loans is desirable.

Additional Information:

- Position is open until filled.
- Applicants whose background is a match to our requirements will be contacted.
- Applicable Civil Service job description can be found at <https://info.csc.state.nj.us/jobspec/07782.htm>

Applicants should send a cover letter, resume and salary requirements to:
