

The 9th Annual NJ Watershed Conference

February 27, 2026 | 9 a.m. – 5 p.m.

Sponsorship Opportunities

This is a great opportunity to get your name out in front of hundreds of attendees including municipal leaders, engineers, watershed advocates, businesses, and community members who will need to work together across municipal boundaries to solve New Jersey's environmental problems. Your sponsorship will help defray conference expenses and allow us to keep registration fees low. It will also provide scholarships for students and others requiring financial aid. A table in the exhibit space will be reserved for all sponsors who support the conference at the \$1,000 level or above.

Regardless of the sponsorship tier, sponsors will receive the following benefits:

- At least 1 virtual ticket to facilitate virtual exhibits on our Zoom Events portal.
- Technical assistance setting up profiles and exhibiting on the Zoom Events portal.
- Logo visibility on Watershed Conference media and marketing including the registration, event page on thewatershed.org, on the agenda and program, in the Zoom Events portal, and on in-person signage for the event.

Title Sponsor - \$5,000

Our Title Sponsor would enjoy several unique benefits. These include **guaranteed** in-person and virtual exhibiting space and the opportunity to include a short, personalized, statement in marketing efforts for the conference. We would also provide:

- 8 in-person tickets and 2 virtual tickets
- Logo visibility on Watershed Conference media and marketing including the registration, event page on thewatershed.org, on the agenda and program, in the Zoom Events virtual portal, and on in-person signage for the event.
- 1 full-page advertisement space in the electronic program booklet
- 3 social media announcements about your company prior to the conference
- Announcements of your sponsorship and company during the Watershed Conference

Watershed Warrior - \$2,500

- 5 in-person and 1 virtual tickets
- 2 social media announcements about your company prior to the conference
- 1 full-page advertisement space in the electronic program booklet
- Preferential in-person tabling space (limited spots on a first come, first served basis)

Pond Protector - \$1,000

- 4 in-person and 1 virtual tickets
- 1 social media announcement about your company prior to the conference
- 1/2 page advertisement space in the electronic program booklet
- Preferential in-person tabling space (limited spots on a first come, first served basis)

Creek Captain - \$500

- 1 in-person and 1 virtual tickets
